

Glanbia Scholarship Winners

Congratulations to all Glanbia Scholarship recipients. The Selection Committee chose the following students based on their academic record, essay, extra curricular activities, work experience, and leadership skills. Each will receive a \$1000 scholarship to continue their education.

Brittany Hiatt will graduate from Jerome High School with a GPA of 3.89. She is the daughter of Don Hiatt who works in the Transportation department. Brittany has been accepted to Brigham Young University - Idaho and plans to major in Elementary Education. Currently, Brittany helps a third grade teacher every morning. "I love kids and want to help them gain the knowledge needed to be whatever they aspire to be." She will be the first in the family to attend college. After getting her degree, she wants to serve an eighteen month mission for her church.

Ruth Warren, daughter of Rick Warren, Environmental Loss Control Engineer in Gooding, will graduate from Gooding High School with a 3.98 GPA. Her plans are to attend Brigham Young University - Idaho and major in Early Childhood Development. Although Ruth has participated in many community service projects and activities, from her perspective, service can be, and most effectively is, the small and everyday actions rendered to others. These actions can be as simple and yet moving as a simple smile, a kind thought, or a warm hello.

Donald Vawser, son of Dick Vawser, Maintenance Manager in Twin Falls, will graduate from Kimberly High School with a perfect 4.0 GPA. Donald chose to pursue Engineering as his number one career choice, utilizing his two greatest strengths, mathematics and science. Donald has received many awards throughout his high school career: Recipient of Idaho Top Scholar, Student of the Year in Spanish, Algebra, Biology, Accounting, General Science, and Astronomy. Donald mowed lawns for the elderly community members as well as being involved in various community service projects for Kimberly Chapter of Key Club.

Crystina Johnson, daughter of Kenneth and Karen Koontz of Koontz Dairy, will graduate from Richfield High School with a 3.6 GPA. Her plans are to go to the College of Southern Idaho and eventually graduate with a major in forensic science. Crystina has held various leadership positions (class president for three straight years) while attending high school. She participated in cheerleading, dance team, basketball, track, and her favorite sport - volleyball. Her counselor describes Crystina as "Energetic and a mature individual who is very involved in school activities."

Congratulations to all scholarship applicants on their achievements during their high school careers and best wishes for the future.
